b. Settling Defendant may contest payment of any Future Response Costs under Paragraph 5(a) only if it determines that the United States has made an accounting error or if it alleges that a cost item that is included represents costs that are inconsistent with the NCP. Such objection shall be made in writing within 30 days of receipt of the bill and must be sent to the United States pursuant to Section XIV (Notices and Submissions). Any such objection shall specifically identify the contested Future Response Costs and the basis for objection. In the event of an objection, the Settling Defendant shall within the 30 day period pay all uncontested Future Response Costs to the United States in the manner described in Paragraph 5(a). Simultaneously, the Settling Defendant shall establish an interest-bearing escrow account in a federally-insured bank duly chartered in the State of California and remit to that escrow account funds equivalent to the amount of the contested Future Response Costs. The Settling Defendant shall send to the United States, as provided in Section XIV (Notices and Submissions), a copy of the transmittal letter and check paying the uncontested Future Response Costs, and a copy of the correspondence that establishes and funds the escrow account, including, but not limited to, information containing the identity of the bank and bank account under which the escrow account is established as well as a bank statement showing the initial balance of the escrow account. Simultaneously with establishment of the escrow account, the Settling Defendant shall initiate the Dispute Resolution procedures in Section VI (Dispute Resolution). If the United States prevails in the dispute, within 5 days of the resolution of the dispute, the Settling Defendant shall pay the sums due (with accrued Interest) to the United States in the manner described in Paragraph 5(a). If the Settling Defendant prevails concerning any aspect of the contested costs, the Settling Defendant shall pay that

portion of the costs (plus associated accrued Interest) for which it did not prevail to the United States in the manner described in Paragraph 5(a); Settling Defendant shall be disbursed any balance of the escrow account. The dispute resolution procedures set forth in this Paragraph in conjunction with the procedures set forth in Section VI (Dispute Resolution) shall be the exclusive mechanisms for resolving disputes regarding the Settling Defendant's obligation to reimburse the United States for its Future Response Costs.

VI. **DISPUTE RESOLUTION**

- 6. Unless otherwise expressly provided for in this Consent Decree, the dispute resolution procedures of this Section shall be the exclusive mechanism to resolve disputes arising under or with respect to this Consent Decree. However, the procedures set forth in this Section shall not apply to actions by the United States to enforce obligations of the Settling Defendant that have not been disputed in accordance with this Section.
- 7. Informal Dispute Resolution. Any dispute which arises under or with respect to this Consent Decree shall in the first instance be the subject of informal negotiations between the Parties to the dispute. The period for informal negotiations shall not exceed 20 days from the time the dispute arises, unless it is modified by written agreement of the Parties to the dispute. The dispute shall be considered to have arisen when one Party sends the other Party a written Notice of Dispute.

8. Formal Dispute Resolution.

a. In the event that the Parties cannot resolve a dispute by informal negotiations under the preceding Paragraph, then the position advanced by EPA shall be considered binding unless, within 30 days after the conclusion of the informal negotiation period, Settling

Defendant invokes the formal dispute resolution procedures of this Section by serving on the

United States a written Statement of Position on the matter in dispute, including, but not limited to, any factual data, analysis or opinion supporting that position and any supporting documentation relied upon by the Settling Defendant.

- b. Within 30 days after receipt of Settling Defendant's Statement of Position, EPA will serve on Settling Defendant its Statement of Position, including, but not limited to, any factual data, analysis, or opinion supporting that position and all supporting documentation relied upon by EPA. Within 10 days after receipt of EPA's Statement of Position, Settling Defendant may submit a Reply.
- c. Following receipt of Settling Defendant's Statement of Position submitted pursuant to Paragraph 8, the Director of the Superfund Division, EPA Region 9, will issue a final decision resolving the dispute. The Superfund Division Director's decision shall be binding on the Settling Defendant unless, within 10 days of receipt of the decision, the Settling Defendant files with the Court and serves on the United States a motion for judicial review of the decision setting forth the matter in dispute, the efforts made by the Parties to resolve it, and the relief requested. The United States may file a response to Settling Defendant's motion.
- 9. The invocation of formal dispute resolution procedures under this Section shall not extend, postpone or affect in any way any obligation of the Settling Defendant under this Consent Decree not directly in dispute, unless EPA or the Court agrees otherwise. Stipulated penalties with respect to the disputed matter shall continue to accrue but payment shall be stayed pending resolution of the dispute as provided in Paragraph 15. Notwithstanding the stay of payment, stipulated penalties shall accrue from the first day of noncompliance with any applicable provision of this Consent Decree. In the event that the Settling Defendant does not

prevail on the disputed issue, stipulated penalties shall be assessed and paid as provided in Paragraph 11 (Stipulated Penalties).

VII. FAILURE TO COMPLY WITH REQUIREMENTS OF CONSENT DECREE

10. Interest on Late Payments.

- a. In the event that the payment required by Paragraph 4 is not made within 30 days of the Effective Date of this Consent Decree or the payments required by Paragraph 5(a) are not made within 30 days of the Settling Defendant's receipt of the bill, Settling Defendant shall pay Interest on the unpaid balance. The Interest to be paid on Past Response Costs under this Paragraph shall begin to accrue upon lodging of this Consent Decree. The Interest on Future Response Costs shall begin to accrue on the date of the bill. The Interest shall accrue through the date of Settling Defendant's payment. Payments of Interest made under this Paragraph shall be in addition to such other remedies or sanctions available to Plaintiffs by virtue of Settling Defendant's failure to make timely payments under this Section.
- b. In the event that any payment required by Section VII, Paragraph 11
 (Stipulated Penalties) are not received when due, Interest shall continue to accrue on the unpaid balance through the date of payment.

11. Stipulated Penalties.

a. <u>Stipulated Penalty for Late Payment</u>. In the event that any payment required by Section V (Reimbursement of Response Costs) is not received when due, Settling Defendant

shall pay to EPA as a stipulated penalty, in addition to the Interest required by Paragraph 10:

b. Stipulated Penalty for Other Non-Compliance. If Settling Defendant does not comply with Section XI (Site Access) or Section XII (Access to Information), Settling Defendant shall pay to EPA as a stipulated penalty \$500 per violation per day of such non-compliance.

c. Stipulated penalties are due and payable within 30 days of the date of the demand for payment of the penalties by EPA. All payments under this Paragraph shall be made by certified or cashier's check made payable to "EPA Hazardous Substance Superfund" and shall be sent to:

U.S. EPA Region IX

Attn: Superfund Accounting

P. O. Box 360863M

Pittsburgh, PA 15251.

All payments shall indicate that the payment is for stipulated penalties and shall reference the name and address of the Party making payment, the EPA Region and Site ID Number 09-D7 and DOJ Case Number 90-11-3-06062. Copies of each check paid pursuant to this Paragraph, and any accompanying transmittal letter, shall be sent to the United States as provided in Section XIV (Notices and Submissions).

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Settling Defendant of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after the day a violation occurs, and shall continue to accrue through the day of the correction of the noncompliance. However, stipulated penalties shall not accrue: (1) with respect to a decision by the Director of the Superfund Division, EPA Region 9, under Paragraph 8(c) of Section VI (Dispute Resolution), during the period, if any, beginning on the 21st day after the

date that Settling Defendants' reply to EPA's Statement of Position is received until the date that the Director issues a final decision regarding such dispute; or (2) with respect to judicial review by this Court of any dispute under Section VI (Dispute Resolution), during the period, if any, beginning on the 31st day after the Court's receipt of the final submission regarding the dispute until the date that the Court issues a final decision regarding such dispute. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

- 12. If the United States brings an action to enforce this Consent Decree, Settling Defendant shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.
- 13. Payments made under Paragraphs 10-12 shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendant's failure to comply with the requirements of this Consent Decree.
- 14. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree.
- 15. Penalties shall continue to accrue as provided in Paragraph 11(d) during any dispute resolution period, but need not be paid until the following:
- a. If the dispute is resolved by agreement or by a decision of EPA that is not appealed to this Court, accrued penalties determined to be owing shall be paid to EPA within 15 days of the agreement or the receipt of EPA's decision or order;
- b. If the dispute is appealed to this Court and the United States prevails in whole or in part, Settling Defendant shall pay all accrued penalties determined by the Court to

2.3

- be owed to EPA within 60 days of receipt of the Court's decision or order, except as provided in Subparagraph (c) below;

c. If the District Court's decision is appealed by any Party, Settling Defendant shall pay all accrued penalties determined by the District Court to be owing to the United States into an interest-bearing escrow account within 60 days of receipt of the Court's decision or order. Penalties shall be paid into this account as they continue to accrue, at least every 60 days. Within 15 days of receipt of the final appellate court decision, the escrow agent shall pay the balance of the account to EPA or to Settling Defendant to the extent that they prevail.

VIII. COVENANT NOT TO SUE BY PLAINTIFF

16. Covenant Not to Sue by United States. Except as specifically provided in Paragraph 17 (Reservation of Rights by United States), the United States covenants not to sue Settling Defendant pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), for recovery of Past Response Costs or Future Response Costs. This covenant not to sue for Past Response Costs shall take effect upon receipt by EPA of all payments required by Paragraph 4 (Payment of Past Response Costs to the EPA Hazardous Substance Superfund) in Section V (Reimbursement of Response Costs) and Section VII, Paragraphs 10 (Interest on Late Payments) and 11 (Stipulated Penalties) with respect to payment of Past Response Costs. This covenant not to sue for Future Response Costs shall take effect upon payment of all Future Response Costs required by Paragraph 5 (Payment of Future Response Costs to the EPA Hazardous Substance Superfund) in Section V (Reimbursement of Response Costs) and Section VII, Paragraphs 10 (Interest on Late Payments) and 11 (Stipulated Penalties) with respect to payment of Future Response Costs. This covenant not to sue is conditioned upon the satisfactory performance by Settling Defendant of its obligations under this Consent Decree.

This covenant not to sue extends only to Settling Defendant and does not extend to any other person.

- 17. Reservation of Rights by United States. The covenant not to sue set forth in Paragraph 16 does not pertain to any matters other than those expressly specified therein. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all other matters, including but not limited to:
- a. liability for failure of Settling Defendant to meet a requirement of this Consent Decree;
- b. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
 - c. criminal liability;
- d. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606; and
- e. liability for costs incurred or to be incurred by the United States that are related to the Site but are not within the definition of Past Response Costs or Future Response Costs.
- 18. Notwithstanding any other provision of this Consent Decree, the United States retains all authority and reserves all rights to take any and all response actions authorized by law.

IX. COVENANT NOT TO SUE BY SETTLING DEFENDANT

19. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs, Future Response Costs, or this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
 - b. any claim arising out of response actions at the Site; and
- c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, related to the Site.
- 20. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

X. EFFECT OF SETTLEMENT/ CONTRIBUTION PROTECTION

- 21. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Each of the Parties expressly reserves any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.
- 22. The Parties agree, and by entering this Consent Decree this Court finds, that Settling Defendant is entitled to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for "matters addressed" in this Consent Decree. The "matters addressed" in this Consent Decree are Past Response Costs and Future Response Costs.
- 23. Settling Defendant agrees that, with respect to any suit or claim for contribution brought by it for matters related to this Consent Decree, it will notify EPA and DOJ in writing

no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also agrees that, with respect to any suit or claim for contribution brought against it for matters related to this Consent Decree, it will notify EPA and DOJ in writing within 10 days of service of the complaint or claim upon it. In addition, Settling Defendant shall notify EPA and DOJ within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

24. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VIII.

XI. SITE ACCESS

- 25. Commencing upon the date of lodging of this Consent Decree, Settling Defendant agrees to provide the United States and its representatives, including EPA and its contractors, access at all reasonable times to the Site for the purpose of conducting any response activity related to the Site, including but not limited to:
 - a. Monitoring of investigation, removal, remedial or other activities at the Site;
 - b. Verifying any data or information submitted to the United States;
 - c. Conducting investigations relating to contamination at or near the Site;

d. Obtaining samples;

- e. Assessing the need for, planning, or implementing response actions at or near the Site; and
- f. Inspecting and copying records, operating logs, contracts, or other documents maintained or generated by Settling Defendant or its agents, consistent with Section XII (Access to Information).
- 26. Notwithstanding any provision of this Consent Decree, the United States retains all of its access authorities and rights, including enforcement authorities related thereto, under CERCLA, the Resource Conservation and Recovery Act, 42 U.S.C. § 6927, and any other applicable statutes or regulations.

27. Notice to Successors-in-Title

- a. With respect to the property owned or controlled by the Settling Defendant that is located within the Site, within 15 days after the entry of this Consent Decree, the Settling Defendant shall submit to EPA for review and approval a notice to be filed with the Tulare County Assessor and County Recorder's Office in the State of California, which shall provide notice to all successors-in-title that the property is part of the Site, and that EPA selected a remedy for the Site on the date of the ROD. Such notice shall identify the United States District Court in which the Consent Decree was filed, the name and civil action number of this case, and the date the Consent Decree was entered by the Court. The Settling Defendant shall record the notice within 10 days of EPA's approval of the notice. The Settling Defendant shall provide EPA with a certified copy of the recorded notice within 10 days of recording such notice.
 - b. At least 30 days prior to the conveyance of any interest in property located

within the Site including, but not limited to, fee interests, leasehold interests, and mortgage interests, the Settling Defendant conveying the interest shall give the grantee written notice of this Consent Decree. At least 30 days prior to such conveyance, the Settling Defendant shall also give written notice to EPA and the State of the proposed conveyance, including the name and address of the grantee, and the date on which notice of the Consent Decree was given to the grantee.

c. In the event of any such conveyance, the Settling Defendant's obligations under this Consent Decree, including, but not limited to, its obligation to provide access pursuant to this Consent Decree, shall continue to be met by the Settling Defendant. In no event shall the conveyance release or otherwise affect the liability of the Settling Defendant to comply with all provisions of this Consent Decree, absent the prior written consent of EPA.

XII. ACCESS TO INFORMATION

- 28. Settling Defendant shall provide to EPA, upon request, copies of all documents and information within its possession or control or that of its contractors or agents relating to activities at the Site including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information related to the Site.
 - 29. Confidential Business Information and Privileged Documents.
- a. Settling Defendant may assert business confidentiality claims covering part or all of the documents or information submitted to Plaintiff under this Consent Decree to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. 2.203(b). Documents or information determined to be confidential by EPA will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim

of confidentiality accompanies documents or information when they are submitted to EPA, or if EPA has notified Settling Defendant that the documents or information are not confidential under the standards of Section 104(e)(7) of CERCLA, the public may be given access to such documents or information without further notice to Settling Defendant.

- b. Settling Defendant may assert that certain documents, records or other information are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendant asserts such a privilege in lieu of providing documents, it shall provide Plaintiff with the following: 1) the title of the document, record, or information; 2) the date of the document, record, or information; 3) the name and title of the author of the document, record, or information; 4) the name and title of each addressee and recipient; 5) a description of the subject of the document, record, or information; and 6) the privilege asserted. However, no documents, reports or other information created or generated pursuant to the requirements of this or any other consent decree with the United States shall be withheld on the grounds that they are privileged. If a claim of privilege applies only to a portion of a document, the document shall be provided to Plaintiff in redacted form to mask the privileged information only. Settling Defendant shall retain all records and documents that they claim to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendant's favor.
- 30. No claim of confidentiality shall be made with respect to any data, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, or engineering data, or any other documents or information evidencing conditions at or around the Site.

XIII. RETENTION OF RECORDS

- 31. Until 5 years after the entry of this Consent Decree, Settling Defendant shall preserve and retain all records and documents now in its possession or control, or which come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person for response actions conducted and to be conducted at the Site, regardless of any corporate retention policy to the contrary.
- 32. After the conclusion of the document retention period in the preceding paragraph, Settling Defendant shall notify EPA and DOJ at least 90 days prior to the destruction of any such records or documents, and, upon written request by EPA or DOJ, Settling Defendant shall deliver any such records or documents to EPA. Settling Defendant may assert that certain documents, records, or other information are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendant asserts such a privilege, it shall provide Plaintiff with the following: 1) the title of the document, record, or information; 2) the date of the document, record, or information; 3) the name and title of the author of the document, record, or information; 4) the name and title of each addressee and recipient; 5) a description of the subject of the document, record, or information; and 6) the privilege asserted. However, no documents, reports, or other information created or generated pursuant to the requirements of this or any other consent decree with the United States shall be withheld on the grounds that they are privileged. If a claim of privilege applies only to a portion of a document, the document shall be provided to Plaintiff in redacted form to mask the privileged information only. Settling Defendant shall retain all records and documents that it claims to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendant's favor.
